

WARD LAKE DOVE HUNTING RULES

2018-2019 Season

Season Dates:

Sept. 1 – Oct. 7

Oct. 27 – Nov. 7

Dec. 22, 2018 – Jan. 31, 2019

1. On **Saturday, Sept. 1st** and **Sunday Sept. 2nd** we will shoot the field in the **afternoon only**. We will meet on the side of the gravel road in front of Chris Doss's house at **2:30pm** on Saturday and Sunday of opening weekend. Everyone is asked to please stop shooting and be off the field by **6:00pm** on opening day.
2. On **Monday, Sept. 3rd**, we will shoot the field in the **morning only**. Precede to the field at whatever time you wish, but we **WILL NOT** hunt Monday afternoon.
3. *On opening weekend, there will be a limit of **two guns per membership**, to allow equal access for all and to avoid overcrowding. The Board may ease the restrictions if there is sufficient room to accommodate additional guns.
4. The field will be **CLOSED** during the weekdays following Labor Day, **Tuesday, Sept. 4th** through **Friday, Sept. 7th**. The field will **reopen on Saturday Sept. 8th** at 2:00pm. This is being done to try to preserve the quality of hunting for a second weekend.
5. After opening weekend, each membership is allowed two guest per day.
6. During the rest of the first season, we will shoot each **Saturday afternoon, Sunday morning, Sunday afternoon** and **Wednesday afternoon**.
7. When hunting in the afternoons during the first season please be out of the field by **6:00pm**.
8. Please be courteous of other hunters and be careful to avoid shooting toward the Main Road and nearby houses.
9. Pick up all trash, *including empty shells*, after each hunt.

*Depending on hunter usage, we may consider opening the field at additional times, particularly during the second and third seasons. Changes will be emailed out and posted at the sign-in station.
